METHODIST MINISTERS

The Third Day of the Conference Representing the Methodists of the Old Dominion.

DR. GEO. W. CARTER'S CASE INTERESTING

A Little Breeze Between the Rev. Paul Whitehead and the Rev. J. R. Griffith—Report on Colportage—Dr. Harbee and the Press—The Case of Rev. Geo. H. Ray Disposed Of.

Richmond, Va., Nov. 15.—(Special)—The case of Rev. Dr. George W. Carter and his third marriage promises to be one of the most interesting features of the Conference. It is not likely that the committee will be ready to report on it to-morrow. A very careful inquiry is being made and the investigation promises to be a most thorough one. Nothing reliable can be learned as to what the committee has done so far.

Rev. Oscar Littleton conducted the opening exercises at the session of the Conference to-day.

Fraternal greetings were ordered to be sent to the Baptist Association of Petersburg, now in session in that city.

A message of brotherly love was received from the convention of the Christian Church, now sitting in Lynchburg, and a suitable reply was ordered to be sent to it.

The report of the Board of Education was made the special order for to-morrow at 11 o'clock.

The Rev. A. Coke Smith made an interesting report of the condition of his church, which is in Norfolk, Va., this morning. The congregation is large and earnest, the sum of \$23,000 having been raised during the year, a fine church built and occupied, and in all departments of its work the church was in particularly good shape.

REPORT ON COLPORTAGE.

Rev. Dr. A. G. Brown then presented an interesting and detailed report of the good work of the Colportage Society, which is engaged in distributing Bibles under the auspices of the Methodist Church.

The report showed that the sale and circulation of Methodist literature had increased over last year. The ledger showed 1,140 patrons and a volume of business amounting to \$8,865 annually. The bulk of the work had been done by the pastors, by benevolent organizations and personal effort. The educational benefits had been great. The colportage had prospered beyond the hope of its friends. The District Conference plan had been found to meagre and contracted, and had been abandoned. The paper made contacts between the work of the Baptist Board and the Colportage Board of this Conference. The educational policy of the Methodist Church was peculiar and the work of the colportage Board was Methodist.

The report answered the criticism that there were no colporters in the field and complimented the work of the Colportage Board in the distribution of the Bible.

DR. BARBEE AND THE PRESS.

Rev. J. D. Barbee, the general book agent of the Virginia Conference, took the floor and made an interesting report on the condition of his work, saying that all things were in good order, and the distribution of the products of the publishing house was going on in best shape.

Dr. Barbee, in referring to the secular press, said that he was afraid that the secular newspapers some of the good things they said in their sermons. There was no conflict between the secular and religious press, he said. The secular newspaper reflects the opinions of the community. It is like a mirror held up to nature. The religious press does make opinions, and the two papers should go hand in hand. The conference and congregation listened to his address with great pleasure and profit.

THE SUPERANNATED.

The Committee on Conference Relations reported the following as on the superannuated list of ministers: A. M. H. James, A. B. Dick, Joseph Edwards, Robert N. Crook, John C. Cloud, W. A. Robinson, Herbert T. Bacon, W. A. Crook, John B. Dey, James R. Waggoner, Thomas P. Wise, James P. Brannon, Thomas J. Bayton, Edward M. Jordan, David M. Wallace, Jacob Manning, L. M. Clarke, James E. Gates, John W. Cridler, and W. F. Bain.

The same committee reported these names for the supernumerary list of ministers: W. H. Camper, Thomas H. Earl, H. C. Rowles, W. W. Southall, and W. E. Grant.

Question 20, "Are the preachers blameless, etc.," was now asked, and a number of preachers responded to their names and made their reports, and their characters were favorably passed upon.

A LITTLE BREEZE.

When the name of Rev. J. R. Griffith came up on the list of ministers there arose a little breeze, occasioned by a remark of Rev. Paul Whitehead, who said it was painful for him to have to allude to certain reports concerning alleged financial irregularities of the reverend gentleman, and he wished the matter brought up and action taken by the Conference.

Rev. Mr. Griffith expressed himself as ready and willing to meet any sort of charges that might be preferred against him, and said he was able to fully explain and satisfy the propriety of his conduct and his behavior.

A committee, composed of Rev. J. E. Hank, W. R. Smith, and W. E. Allen, was appointed to investigate and report.

MR. RAY'S CASE.

When the question, "What traveling preachers are elected to become members of the Virginia Conference," came up, the case of Rev. Geo. H. Ray, Jr., who was appointed to the Charlottesville circuit by the last Conference, came up. This preacher decided to leave the Methodist Church, and go to the Presbyterian Church, and finally to enter the ministry of that church. East Hanover Presbyterian has declined to take any action out of deference to the Conference until an official endorsement of Mr. Ray by this Conference. There was something of a tangle of technicalities in this case, and while the case was being argued, the personal worth and sincerity of the young preacher, was expressed freely, there seemed some perplexing details of church law in the matter.

It was finally settled by a resolution of the Conference that Mr. Ray be given his freedom from the membership of the Methodist Church, and a certificate of good standing at this date given him.

FOR DEACON'S ORDERS.

Rev. Samuel C. Hatcher, of the Barton Heights Church, was passed for deacon's orders, after hearing his report of affairs at his church.

Others who passed for deacon's orders were Messrs. James S. Peters, Geo. E. Booker, Jr., and Ernest Hay.

There were then elected to deacon's orders Rev. Thomas E. Johnson and Rev. Charles I. Gibbs.

The question of admitting Rev. Ernest F. Hall, of the Henry circuit, to full connection was decided in his favor, and there were also admitted to the same relationship Rev. Messrs. R. S. Bangham, of the Hampton circuit; R. T. Waterfield, W. H. Beauchamp, F. W. Proctor, Alfred A. Whitmore, and James W. Baker.

All these appeared at the roll of the church before the bishop, and after making them an eloquent address, he questioned the candidates with the usual forms of the Methodist Church.

After receiving the replies, which were considered satisfactory, the bishop admitted them to full connection with the church.

The Rev. J. M. Anderson, who is the chairman of the Committee of Investigation in the case of Rev. George W. Carter, sent in a question to the Bishop, asking "should a Committee of Investigation be governed by the law as published in the proceedings of the General Conference, or the law as contained in the Discipline?"

The Bishop deferred his answer till another time.

Rev. A. Coke Smith presented to-day a printed paper to the Conference, being a general statement of the aim and policy of the Board of Education of the M. E. Church, South.

And after singing the Doxology and the Benediction by Dr. Hoge, the Conference adjourned.

The question submitted by the committee investigating Dr. Carter's case was withdrawn later in the day. Dr. Whitehead, it is understood, having abandoned his contention that the inquiry should proceed under the journal rather than under the law. Dr. Carter's case is attracting much attention and creating no end of talk. He has warm friends and bitter enemies. Conservative opinion seems to be that he cannot be adjudged guilty of immorality in contracting his third marriage nor convicted of any violation of church law, but it is expected by many that he will be located (that is, deprived of a charge), which would mean that his last marriage, while not unlawful, involved what is called "Christian inexcusability" and so impaired his influence and usefulness in the church as to render his active connection with the ministry undesirable. Unless the committee of inquiry be a unit, as does not now seem altogether probable, the matter will come up in open conference, where the bitter and pungent arguments made last night before the committee will be repeated in public.

There will be many changes of prominent ministers by the preceding Bishop, and there is much speculation on the subject.

Court Street, Lynchburg, will get either Dr. R. N. Sled, of Richmond, or Dr. A. Coke Smith, of Norfolk. If the latter goes to Norfolk, the former will go either to Main Street, Norfolk, or Epworth, Norfolk. Dr. Young, of Richmond, is also mentioned in connection with Epworth.

Dr. Sled goes to Danville. It is thought Dr. Edwards will be brought to Broad Street, Richmond.

Officers Elected.

At the annual convocation of the Grand Commandery Knights Templar in Richmond Thursday, the following officers were elected: V. E. O. Porham, of Petersburg, Grand Commander; R. W. Miller, of Lynchburg, Deputy Grand Commander; R. W. James, of Richmond, Grand Recorder; E. J. Capers, of Richmond, Grand Treasurer; W. T. Woodfin, of Hampton, Captain General; R. W. Geo. W. Poe, of Richmond, Grand Treasurer; R. E. James B. Blanks, of Petersburg, Grand Recorder; E. John E. Townes, of Petersburg, Warden; R. W. George W. Dams, of Danville, Grand Prelate.

Sunk at Her Wharf.

The schooner Sally and Ellen, Captain Thompson, while loading railroad iron at the N. Y. P. & N. dock for Philadelphia, was sunk about 11 o'clock yesterday by one of the rails falling from the sling and going through the bottom of the schooner. The vessel went down in about thirty minutes with only three men on board. The hold, Captain Thompson and the crew saved all their effects. The vessel is owned in Norfolk and is not insured.

Cruelty to Animals.

Jesse Beskin was arrested by Deputy Night Constable Manning last night on a warrant, charged with cruelty to animals. The warrant was issued at the instance of Mrs. S. P. C. A., and it is said that the horse was totally unfit for work. Beskin was locked up.

BROTHERHOOD PLAN

The Relation It Bears to the Clergy and Its Utility in the Parish.

ST. ANDREW'S BROTHERHOOD MEETING.

Its Object to Rescue the Lost and Establish the Kingdom of God on This Earth—A Question Box and Its Contents—A Pleasant Gathering at St. Peter's Church.

The Local Assembly of the Brotherhood of St. Andrew, consisting of four chapters—St. Luke's and St. Peter's in Norfolk, St. Thomas in Berkeley, and Trinity in Portsmouth—met at St. Peter's Church last night, when there were also visiting brothers from Suffolk chapter present.

Services began with singing "Onward Christian Soldier," followed by prayer offered by Rev. W. D. Smith, rector of St. Peter's.

The congregation then sang "Stand up for Jesus."

Rev. W. D. Smith introduced Mr. John W. Wood, general secretary of the Brotherhood, who addressed the assembly in an earnest and impressive discourse. He discussed the relation of the Brotherhood to the clergy, its utility in the parish, its design to ennoble men in business life, its object to rescue the lost and to establish the kingdom of God in the earth.

A fair and appreciative audience enjoyed the address, after which "Jesus Calls Us" was sung, and the benediction pronounced.

The conference of the chapters was then called to order by Mr. J. E. Cole. It was conducted on the plan of the question box, and Mrs. Cole suggested that the questions be read and answered by Mr. Wood, general secretary. The following are some of the many questions discussed before the conference:

"What is the most successful way to reach young men?"

"How often should a chapter meet?"

"What is the best plan of working the hospitality committee?"

"What about continuing a chapter in a small place when almost all have been induced to attend church?"

Other interesting questions were considered, after which the conference adjourned to meet at St. Luke's Church Sunday afternoon at 2 o'clock.

OTHER REMARKABLE NOTES.

Mrs. Charlton Edholm will speak at McKendree to-morrow night on "Traffic in Girls." The service at 11 a. m. will be conducted by R. P. Harwell.

Festivities will be held at St. Peter's and prepared for the Park Avenue Baptist position, to be held next week under auspices of Park Avenue Baptist Church.

The Carnival of Trade.

Many persons who visited the Carnival of Trade at Armory Hall last night were shocked—not by what they saw or heard, but the electric fluid was dealt out by a battery which has just been placed in position, and from which any one can obtain a shock upon the payment of five cents.

A soda water fountain from which drinks as cold as ice can make them as hot as fire, and heat them has also been put up and is in charge of Mrs. H. C. Smith.

The attendance last night was larger than on any night of the Carnival, the special attraction being Rev. Thomas Dixon, who delivered his famous lecture on the "New Woman." He was introduced by Judge M. L. Eure, and charmed his hearers.

To-night Miss Raymond, of Boston, a well-known elocutionist, will be the attraction. She will render an excellent programme of recitations, etc.

The Wire Broke.

The electric cars were tied up last night about 6:30 o'clock for fifteen minutes, caused by a break in the trolley wire on Main street. A moment before the break occurred bright sparks and flames darted from the wire at intervals and attracted considerable attention.

Cruelty to Animals.

Jesse Beskin was arrested by Deputy Night Constable Manning last night on a warrant, charged with cruelty to animals. The warrant was issued at the instance of Mrs. S. P. C. A., and it is said that the horse was totally unfit for work. Beskin was locked up.

NO MORE RHEUMATISM

Sheriff Howe Cured of Rheumatism by Dr. Greene's Nervura.

No One Need Longer Suffer from Rheumatism or Neuralgia. Dr. Greene's Nervura Blood and Nerve Remedy Always Cures.

SHERIFF E. W. HOWE.

Half the world suffers from pains and aches when there is the slightest reason for so doing. Headache is almost a frequent and leads to serious results. Backache is most common and keeps thousands in misery. Neuralgia pains of side or chest torment myriads of victims. All this suffering is caused by a weakness, irritation or diseased condition of the nerves and blood, is entirely unnecessary, and can easily be cured.

Sheriff E. W. Howe, of Northfield, Vt., advises you in all such cases to use Dr. Greene's Nervura Blood and Nerve Remedy. He says: "I think the great good this remedy has done for me is to show me the high esteem in which it is held by my townspeople, and that you can trust implicitly in every case. It is the only necessary to state that Sheriff Howe has been Sheriff and Deputy Sheriff of Northfield, Vermont, for twenty-three years; is Town Trustee, Street Commissioner of Northfield, Chief Engineer of the Fire Department, Town Grand Juror and School Committee member. He is a prominent business man, well-known throughout the State of Vermont. The word of a man so highly trusted and honored should be taken and his advice followed by all."

"I was sick five months, which left me with asthma and rheumatism. The asthma would take me most any time, free of charge, personally or by letter, to give you the assurance of the beneficial action of this wonderful medicine."

It took me once on my way home so bad that I was obliged to have help to get home. I suffered greatly with this trouble. My asthma at this time was very bad, being so that for six weeks I did not leave the room, and for five months I did not do a day's work. I saw Dr. Greene's Nervura blood and nerve remedy advertised and the cures effected by its use, and thought it might hit my case, and it did. The asthma is greatly improved, in fact, it is nearly cured, and the rheumatism is greatly helped. I think very highly of this remedy, for it is good. I would recommend anybody to use Dr. Greene's Nervura blood and nerve remedy for asthma or rheumatism, for it is a good medicine. I deem it simple justice to a great remedy to write this letter. I never expected to be cured, and I am now able to work again."

It is not a patent medicine but the prescription of the most successful living specialist in curing nervous and chronic diseases, Dr. Greene, of 25 West Fourth Street, New York. It is the largest practice in the world, and this grand discovery is the result of his vast experience. The reputation of Dr. Greene is a guarantee that his medicine will cure, and the fact that he can be consulted by anyone at any time, free of charge, personally or by letter, to give you the assurance of the beneficial action of this wonderful medicine.
